## Notes of Thanks

We thank God for you and also for the ways God has used you to help us. I often think of you in our home here that you helped us build, the puppet house which you helped us build earlier, the Bibles and all you've sent, and for the money you sent to us last November. It has been a tremendous blessing to know that you are praying for us. Thanks for upholding us in your prayers through these years.

--Delbert and Ruby McElfresh and Family

We want to express our love and appreciation to those who brought food, sent flowers and plants, and gave us hugs and words of encouragement as we faced the grief and loss of our beloved husband, father and grandfather. Gene loved all of you dearly, as we do.

--The Perkins

Inez, Paula, Pam and Family

Thanks for all the prayers, support and love you give, especially during this time. We appreciate you all very much. --Laurie and Kevin Wallace
